As part of the Title I requirements, we need your feedback on how the parent engagement funds should be spent. Please circle your top three choices from the items below.

- Guest speakers for parent meetings
- Parent orientation/conference packets
- Instructional activities for parents and students
- Parent communication
- Parent workshops or programs regarding academics
- Parent resource materials regarding academics

Please include any additional comments/concerns you have that you would like to be considered when spending this year's parent engagement funds:
